15	DECLARATION OF CHARLES P. MAHER	
16		
17	I, Charles P. Maher, declare as follows:	
18	1. I am a partner at the law firm Rincon Law, LLP, which the Trustee has proposed to	
19	employ as her general counsel in the above case.	
20	2. I am familiar with the names of all existing clients at Rincon Law, LLP and have	
21	reviewed that list against the parties identified by the Debtor in its schedules of assets and liabilities	
22	and statement of financial affairs.	
23	3. Based on my review, I am informed and believe that there are no conflicts or other	
24	connections between Rincon Law, LLP and the Debtor, creditors, other parties in interest, their	
25	attorneys or accountants, or the United States Trustee or any person employed in the Office of the	
26	United States Trustee.

- 4. Rincon Law, LLP has not agreed, and will not agree, to share any of the compensation it receives in this case with any other person. Any compensation is subject to Court approval on notice to creditors and other interested parties.
- 5. Rule 6003(a) of the Federal Rules of Bankruptcy Procedure provides that professionals should not be employed earlier than 21 days after the petition date absent exigent circumstances. Exigent circumstances exist in this case. A lease of premises is causing accrual of administrative rent and the Debtor's filing has disrupted a recent sublease to a third party; the landlord is willing to terminate the lease. There are other leased premises that are accruing administrative rent. The Trustee has received an expression of interest in a purchase of assets. Some assets appear to be over-encumbered and early abandonment may be necessary. The Trustee will need immediate legal assistance.

I declare under penalty of perjury that the above statements are true to the best of my knowledge and that those matters stated on information and belief are true to the best of my information and belief. This declaration is executed on the 15th day of July 2024 in San Francisco, California.
